Jeff Strange Joins **FUSE** Team

Decision Support Leader Adds All-Star Talent to Team

May 21, 2018, Needham, MA – **FUSE Research Network** is quite pleased to announce that Jeff Strange has joined the firm as a *Relationship Manager*. This addition of Jeff Strange brings the relationship team to four seasoned professionals and reinforces the commitment **FUSE** has made to its clients to deliver tangible guidance that derives from practical, hands-on experience. No other firm serving investment managers is as well positioned as **FUSE** to provide personalized advice that improves the productivity of the overall distribution effort. Jeff Strange's addition complements a support team that has deep expertise in issues related to sales, marketing and product management.

Neil Bathon, Managing Partner, **FUSE Research Network**, commented, "Jeff is an ideal fit for our client support model given his superior analytical skills, practical experience at Cole Capital and natural client service mindset." Bathon added, "**FUSE's** position as the leading provider of customized decision support is enhanced by Jeff's extensive experience across a wide range of distribution functions and his existing relationships with many of our clients."

As Relationship Manager, Jeff Strange will be responsible for expanding client engagement by becoming an extension of our clients' decision-making teams. Strange is a research expert with 20 years of industry experience. "Jeff's comprehensive knowledge of intermediary markets, as well as his recent sub-advisory focus, fulfills our commitment to constantly seek ways to deliver additional value to our growing client base," stated Jason Heinhorst, Partner of **FUSE Research Network**.

"Being a part of the **FUSE** team is an exciting opportunity," said Strange. "As a longtime competitor of **FUSE**, I have always admired the firm's unparalleled benchmarking research, willingness to deliver candid advice and ability to become an integral part of client decision making. I look forward to being part of such an exceptional team filled with industry veterans."

Strange joins **FUSE** after two years as Managing Director of U.S. Research at Strategic Insight. Prior roles include Director of Research at kasina, Vice President at Cole Capital and Director, Managed Accounts and Institutional Asset Management Practices at Cerulli Associates. Strange is also a CAIA Charterholder.

[About FUSE Research Network LLC](#)

FUSE was launched in 2008 to modernize the research and consulting support delivered to investment managers. **FUSE** has helped firms to break away from old line vendors that offer generic reports and little personalized support to a customized decision support platform in which relationship managers develop a thorough understanding of each client's individual needs. Our goal for every client is for **FUSE** to become an invaluable business partner through the delivery of highly informed and forward-looking recommendations that are among the critical inputs our clients need to optimize results.
